## MOTHER OF THE YEAR

Mrs. Kay Krupa, 30 Mural Cres., Mission Park, who was chosen this week as Mother of the Year for Edmonton and district, brings great honour to the Town of St. Albert. Kay is not just raising her own family, but also helped four other young people from youth to happy marriages. The secret of how Kay could carry such responsibilities over the years lies only in the simple fact that she recognizes God as the head of the family. We believe that this was her great strength that enabled her to fulfil her task always with a smile. It is an honour to be chosen Mother of the Year, but her greatest merit is the fact that she is a strong believer in Christian Education as the only security for life.

## "MAKE ST. ALBERT BEAUTIFUL"

Residents passing by on St. Anne St. must be wondering what kind of business is being set up opposite Belley's Hardware Store. This Saturday they will find out when they see all kinds of trees and shrubs from Mr. Hunter, who has conducted a Hardy Fruits Nursery in Edmonton for over 35 years. Mr. Hunter and his wife plan to make their home in St. Albert and in the near future to start a plant, tree and shrub nursery in our town.

## COMMUNITY LEAGUE

### NOT IN FAVOR

OF

### MOVING HALL

Last night the Community League held a special meeting which was very poorly attended. The members decided to give the Hall and land to the Town of St. Albert but want the Hall to remain where it is now. Suggestions were made that the \$22,000. Recreation Grant be used to renovate and modernize the Hall. An early meeting between the Community Board and the Town Council will be the next step to find a solution in this matter.

# TOWN OF ST. ALBERT CLEAN-UP WEEK May 11 to May 16

The week May 11 to May 16 inclusive has been declared "Clean Up Week" in St. Albert. We urge all residents to participate in the removal of accumulated weeds and trash from yards and extra garbage from homes. The Town will provide extra trucks to pick-up all materials placed in the lane or at the street curb where no lanes exist. The extra pick-up in your district will coincide with the regular garbage pick-up; a maximum of 2 cubic yards will be taken from each registered property. Arrangements for removal of large objects may be made by phoning the Town Engineer at 599-6601. Burning Permits may be secured free of charge by phoning the Fire Department at 599-7021; pensioners and others requiring assistance should also phone that Department.

## Make St. Albert Beautiful. *continued from page 1*

They both love St. Albert, having spent many pleasant hours here over the years. In his youth, Mr. Hunter made many camping trips here, and recalls the Annual Regattas when he had a booth by the trestle bridge where he sold the "new edible ice cream cones". He remembers being pulled out of the broad Sturgeon River when swamped by the weight of the big pleasure boat. Mr. Hunter, who has just recovered from a 5 year illness, spent many hours during those years reading books on the history of St. Albert. His future customers will enjoy talking to this most interesting man, whether about plants or St. Albert.

He stressed that no longer must the gardener rush his planting in the first hectic weeks of spring. Now all his plants, perennials, shrubs and trees are pot grown, so that anytime all summer until freeze-up he can take his time to select and plant ornamentals at his leisure. No more stress and strain, seeding and trying to start lawns the old labourious way. Fine lawn grass turf is now available to give an immediate and permanent lawn. Today's gardener is fortunate that he doesn't have the short season and drudgery of gardening to dampen his enjoyment.

Mr. Hunter is always glad to talk horticultural problems. He is most enthusiastic about the beauty possibilities of St. Albert and thinks with its natural advantages of valley location and a beauty-conscious population of homeowners, the Town of St. Albert will be something to show. He wants to contribute to the "Make St. Albert Beautiful" idea by giving each homeowner a hardy fruit tree that will be ready to graft this August to a choice named variety of fruit. He expects to open the nursery sales at #12 St. Anne St., near Mac's Motel, this Saturday.

## CHERCHEZ LA FEMME

by Merle Vacirca

Phone: 599-7189

### The Party Line

Rome was beautiful and we had a lovely time, but the best part of any trip is homecoming! It's sure good to be back. I'd like to thank Mrs. Peterson for writing "Cherchez la Femme" in my absence. I'm sure you'll all agree she did a fine job.

If the canvasser for Retarded Children has not yet called on you, remember, there's no better way to say thank you for your family's well being than by assisting these special children in their development and training.

.....Give Accordingly!!!

#### MOTHER OF THE YEAR

Mrs. John Krupa, 31 Mural Cres., has been voted 'Mother of the Year.' She won over 11 other contestants in a contest sponsored by the Ladies Auxiliary of the Fraternal Order of Eagles.

Mrs. Krupa has six children of her own, but in addition to this she has raised four orphaned boys. The Sabolewski boys John, Joe, Steve and Louis, ranged from

6 to 16 years when she took them into her home and now that they're all happily married, it's reward enough when they bring their families home to "Granma's" house! It was Mrs. Robert Warren, the elder sister of Mrs. Krupa's "older boys" who sponsored her in the contest.

How does it feel to be "Mother of the Year"?....."Like being on Cloud Nine I've had so many phone calls congratulating me, some from people I haven't heard from in 20 years. People are so kind and good to be so pleased for me. I am only doing what every other Mother is doing. I do feel my husband deserves part of the honor because whatever has been accomplished, we've done together. I might add that the Christian principle have helped us all the way."

Mrs. Krupa received many gifts along with her honor, flowers, jewelry, decorated cake and a lazy Susan. She was also honored by the local C.A.L. Monday evening and presented with a plaque. To these, we would add our congratulations and the "Rose of the Week" courtesy of Marlene's Flowers to Mrs. John Krupa, Mother of the Year.

#### CLUB NOTES

Mrs. Betty Berry took entries for the handicraft competition to be held during the June Conference in Edmonton.

Roll call featured a plant exchange which was enjoyed by all. Mrs. Laderoute reported from the District #2 Conference held in March.

The Institute's next meeting will be held at the home of Mrs. D. Uragich, 27 Sunnyside Cres.

The regular monthly meeting of the Ladies Auxiliary to the 2nd St. Albert Cubs and Scouts will be held in Sir George Simpson School at 8 p.m., Tuesday, May 12th. All mothers are urged to attend.

We would like to thank the Manager and Staff at Safeway, all the mothers who responded to our request for baking, and those who worked to make our Bake Sale of May 1st a great success.
